

630J Nephrology – Dialysis (Consult)

This rotation is not accepting international students.

Course Name Nephrology – Dialysis
Course Director K. Kalantar-Zadeh, MD

1. Course Director, Coordinator and General Administrative Information

FACULTY AND STAFF

Name	Office Location	Phone	Email
Director: K. Kalantar-Zadeh, MD	333 City Blvd W, City Tower-Ste. 400	714-456-5413	kkz@uci.edu
Coordinator: Jillian Meltebarger	City Tower – Suite 400	714-456-5413	jmelteba@uci.edu

DESCRIPTION

During the Nephrology elective the students participate in both inpatient and ambulatory settings. The outpatient service takes place in the renal and transplant clinic. During the inpatient portion of the course, the students will provide consultation in the areas of renal transplantation, hypertension, fluids and electrolyte disorders, acid-base problems, various renal dysfunctions, dialytic treatments of acute renal failure, end-stage renal failure, and endogenous or exogenous intoxications and interact with all disciplines within the institution to ensure high quality patient care. In addition, the students will participate in teaching and work rounds three to five times per week.

PREREQUISITES

This course is intended for third- and fourth-year students enrolled in the undergraduate medical education program at UCI School of Medicine.

RESTRICTIONS

This course is intended for third- and fourth-year students enrolled in the undergraduate medical education program at UCI School of Medicine.

This rotation is not accepting international students.

COURSE DIRECTOR

Dr. Kalantar-Zadeh is a triple board-certified nephrologist and a nationally and internationally recognized expert in dialysis therapies.

Jillian Meltebarger is the course coordinator for the 630J course. She serves as the coordinator of the Nephrology fellowship program.
