DESCRIPTION
Students will have direct patient experience to refine skills in history-taking, physical examination, assessment, and management of pediatric patients presenting for well-childcare, acute and chronic illnesses. Students will participate in educational conferences and complete a health promotion project.

PREREQUISITES
This course is intended for third-year students enrolled in the undergraduate medical education program at UCI School of Medicine.

RESTRICTIONS
This course is intended for third-year students enrolled in the undergraduate medical education program at UCI School of Medicine.

COURSE DIRECTOR
Dr. Murata is the course director for the 660k course.

Frank Cruz is the course coordinator for the 660K course. Frank Cruz has been working as Student Coordinator for the UCISOM for 10+ Years. In addition to his Student Coordinator duties, he also works as an assistant coordinator for the UCI-CHOC Pediatric Residency.
