Through collaboration and guidance, we hope to aid faculty in achieving the full potential of the School of Medicine’s ‘Discover, Teach, Heal’ mission. Our office also oversees faculty diversity programs, sabbatical leaves, applications for special medical permits, employee and labor relations, and volunteer faculty administration.

We hope this site is a useful window through which to explore the various activities of the Office of Academic Affairs. We look forward to collaborating with you.

Please be patient with us while we make improvements to our page!

Coming Soon: The Progress Report

- The Academic Personnel office coordinates list of faculty eligible for review to department chairs each Fall.

- AP will send out the Progress Report in late August/early Sept and our office asks for your assistance to complete this report. SOM Dean’s Analysts will review and ask for updates before sending forward to AP.

  - Important – The Department must maintain their own progress report and start planning in the spring for actions due.

  - The SOM Dean’s office asks for a Proposed Actions report due May 1 of each year.

TBA: Focused Office Hours to discuss Progress Reports will be scheduled when Progress Reports are distributed.
Normal Times at Rank/Step: Faculty

USE WHEN COMPLETING THE PROGRESS REPORTS

APP 3-40 See Appendix I

Normal Time at Rank of Assistant Professor is 6 years; must not exceed 8 years, unless there is a Stop the Clock (STC) and/or a COVID Stop the Clock. Mid-Career Appraisal occurs at year 3 or 4, SOM practice has been to complete by year 4. STC will delay the MCA and Promotion ‘clock’ by 1 year.

The normal period of service at the rank of Associate Professor is six years. The normal period of service at any one of the first three steps is two years.

Professor, Step 5 is an ‘indefinite’ step; faculty may remain at this step indefinitely;

Advancement from Professor, Step 6 to Step 7, from Step 7 to Step 8, and from Step 8 to Step 9, usually will not occur after less than three years of service at the lower step and will be granted only on evidence of continuing great distinction, national or international recognition, highly meritorious service and excellent teaching performance.
Careful review of the material prior to submitting to the Dean’s office will help to ensure less of a delay and/or return of the file with a “Back to School/Department”

SPLIT FILES – WITH ANOTHER SCHOOL OR SOM DEPT:
It is the responsibility of the HOME School/Dept to assemble the file and review for completeness
Notifying the Faculty that a review is due

The department notifies the faculty member outside Scholar Steps that he or she is due for a review in early spring.

This step should be completed by whichever method the department currently uses and early in the Academic Year to ensure compliance with department and Dean’s deadlines.

* March/April 2023, the department chair should have met with faculty to discuss proposed actions
Call for Material

Request review material from the faculty member – use appropriate Checklist

CORE DOCUMENTS:

- Current Faculty CV
- UC AP-10 Addendum Form
- Referee contact information from faculty member and those from the department (if applicable)
- Student Teaching Evaluations
- Reflective Teaching Statement
- Research Statement (if applicable)
- Contributions to Diversity Statement/Inclusive Excellence Activity Statement (*required for faculty new appointment files)
Reminders

☐ Adhere to UC policy and guidelines

☐ Start the academic review process sooner rather than later (Chair meets with faculty in early spring)

☐ Solicitation of Letters of Recommendation (LORs) in late spring for promotion and Advancement to A/S files (Solicitation of LOR’s were due on June 1, 2023)

☐ Remind the faculty and Chair often that material for the academic review is due, give hard deadlines
Common Errors & Omissions

- Department letter needs to address teaching effectiveness
- Letters of recommendation missing codes from the AP-11
- Missing teaching evaluations or a teaching summary
- Incorrect review period or materials include outside of correct review period
- Publication links not accessible
- AP-10 must have all relevant sections completed
  - Example: Service section (section V) is commonly left blank
- Inadequate number of letters of recommendation
- Clearly label teaching statement and other applicable statements
- Updated CV
- Typos/grammatical errors in file
- Missing Required Documents: AP-137A, AP-50 (for paper files), etc.

SOM AA to revise template letters on our page soon
New 23-24: Guidance on Documenting Negative Impact of Strike

Faculty can include discussion in one or more of their personal statements

- Additional time required to administer courses due to TAs participating in the strike (having to lead discussion sections, grade submitted work, or grade exams)

- Reduced or lost support from graduate research assistants due to their participation in the strike

- Issues with funding requirements and reduced support in research
New 23-24: Guidance on Documenting Mentoring

Reflective teaching/mentoring statement
- Can change heading of statement in line with new APM guidance under review.
- Some mentoring activities may fit better in service statement.

How to discuss “informal” mentoring activities in self-statement
- Faculty can describe efforts, activities, time commitment, and contributions along with impact and outcomes when possible.
- Can be in service or inclusive excellence activities statement depending on specific activities
- Maintain confidentiality of mentees (exclude names).
- Extended guidance will be sent out to faculty and added to website soon.

Department, chair and/or dean letter
- Should comment on informal mentoring activities that they are aware of.
- Impact and context of these activities most helpful.
New 23-24: Accelerated Advancement to Prof VI

Departments are encouraged to solicit external letters for accelerated advancement to Step VI

- Letter should address the national/international impact of scholarship/creative activity
- Letters from other UC campuses are especially useful

No letters recommended for normative time advancement to Step VI

- If CAP feels letters are needed, they will request that department solicit them
Accelerations are an extraordinary request and, as such require extraordinary justification

APP 3-40-B
**23-24 Reminders from AP: Accelerations**

**Accelerations: must have outstanding contributions in two “buckets”**

Expectations in Professor Series compared to non-accelerated action at same rank/step

- Research/Creative Activity is a required bucket (Volume and impact twice as high)
- Service as second bucket (Volume and impact twice as high, evidence of leadership)
- Teaching/mentoring as second bucket (Volume does NOT have to be twice as high but impact does, evidence of leadership)

*If department support for acceleration is mixed: departments should have one vote on acceleration and a second vote on normative action*
23-24 Reminders from AP: Stop the Clock (STC)

COVID-19 Stop the Clock:
- Applies to eligible faculty at the Assistant Professor rank, which fall under the provision of APM 133
- Faculty must have started on or before June 30, 2022

Two COVID-19 Stop the Clocks:
- An eligible faculty may only request up to two STC due to COVID-19
- In total, a faculty may not exceed 3 Stop the Clocks at the assistant rank
- For second COVID-19 STC, complete the UCI AP-92 Stop the Clock Certification and provide memo (no more than 1 page) with rationale for the request

Third Stop the Clock:
- Eligible faculty with two Stop the Clocks (STC) previously acknowledged that are non-COVID related, who are requesting a third Stop the Clock due to the COVID-19 pandemic must provide:
  - A completed UCI AP-92 Stop the Clock Certification
  - Form should indicate that this is the third Stop the Clock request
  - Include an explanation on how the COVID-19 pandemic has impacted their work
  - The Office of Academic Personnel will manage the exceptional approval request to UC Office of the President
23-24 Reminders from AP: Conflict of Interest (COI)

**Conflict of Interest (COI):** mentor-mentee or family member (for life) co-authorship (last 48 months and pending); grant collaborations (last 48 months and pending); other relationships that a reasonable person might consider a conflict of interest.

If CAP determines that there is a COI, file sent back to the school with a request for a new letter:

- **Department Letter:**
  - Conflicted member should not be the lead writer and signer.
  - If drafted by multiple faculty members, the letter should be signed by a non-conflicted writer.

- **Chair Letter:**
  - **Option 1:** A non-conflicted faculty member, who did not participate in the department discussion or vote, writes a NEW letter that replaces the conflicted chair letter.
  - **Option 2:** Chair does not submit a letter. The original chair letter is removed from the file and chair votes with the department.

- **Dean letter:**
  - Appoint a surrogate dean, who has not participated at other levels of review, to write and sign a NEW letter that would replace that of the conflicted dean.
Personal Statements

Additional teaching materials
- Student evaluations
- Peer-teaching evaluations
- Course materials, documents or other teaching artifacts submitted by the candidate

Scholarly/creative work
BEST PRACTICES FOR DEPT LETTERS:

- Articulate the expectations for faculty in the area and explain how the file compares with those expectations.

- Analyze the strengths and weaknesses of the case file, including impact of activities.

- Identify future areas of growth.

- Chair letter should explain negative as well as positive votes if possible.
From SOM AA Office: Reminders
SOM requires a Diversity Statement to be included in Appointment files for all Paid Faculty

Not included on AP-30 Checklist: it is an SOM requirement
Reminders: Entry into Payroll

- Approval from Dean’s Office is required before an Appointment, Merit, or other change is entered into Payroll.

- Please do not submit for Payroll entry until you have approvals.
Reminder (22-23): Dept and Chair Letters

Department letters

- Page limit: 3 pages maximum
- Department Letter Signatures: must be from non-conflicted committee member
- **NO CHAIR SIGNATURE ON DEPT LETTER**
- Anonymous/unsigned letters will not be accepted

Chair Letters

- Senate Files: CAP appreciates an Independent Chair letter for Promotions, Accelerations and A/S Merits
Reminder (22-23): Self-Statements

- **PAGE LIMITS:**
  - 3 pages maximum per statement (Research, Teaching, Service, Inclusive Excellence)

- COVID Impact can be contextualized within one or more self-statement
Reminder (22-23): Voting Terminology & Vote Grids

**APP 1-14** is updated; please review

**Main takeaways:** Change to Voting Terminology and Eligibility

SOM Vote Grid is updated online please follow AP’s new format:
For/Against/Abstain/Did Not Vote/Total Eligible to Vote

Files that do not follow this format will be sent back for revision
REMINDER (21-22):
Required SHORT FORM AP-12 for Department Letter in Merit Reviews

- CAP requires the AP-12 for all SENATE Dean-Delegated merit, CAP normal merits and first No Change

- SOM AA requires the AP-12 for Non-Senate Dean-Delegated FACULTY normal merits and reappointments.

Starting in 22-23, the SOM Dean’s Office will return files that do not use the AP-12 form for these files.
REMINDER (20-21):
Declaration of Potential Conflict of Interest (COI) in Personnel Review

If there is a potential COI for reviewers above the department level (chair, associate dean, etc) they should:
- Complete new COI form [UCI AP-COI](#)
- Submit form to Dean’s office before the review occurs; Dean’s office analysts will forward to AP

CAP will review and advise on course of action. For example:
- No involvement in a faculty member’s review: Family relationship, current close collaborator
- Reduced role that might include participation in a department letter, but not writing the chair’s letter: small # joint pubs or co-PI status in past.
LETTERS OF RECOMMENDATION (LOR)
Guidelines for Letters of Recommendation (LOR) are located on the SOM Academic Affairs website, under ‘Appointments’ and ‘Merits & Promotions’ pages

- SOM LOR Guidelines (All Series)

- See also: APP 3-20
LOR: Solicitation

- When soliciting letters, the faculty member must nominate letter-writers, and provide names and contact information to the department analyst.

- The Department Chair also prepares his/her own list of referees.

- Any overlapping names move to the Department List; and are marked on the AP-11 as such.

IMPORTANT NOTE: CANDIDATES MUST NOT SOLICIT THEIR OWN LETTERS, CONTACT LETTER-WRITERS, OR PROVIDE THEIR OWN MATERIALS DIRECTLY TO LETTER-WRITERS.
LOR: Solicitation

Departments must use the sample solicitation letters found on the School of Medicine Academic Affairs Website.

- Solicitation letters must be written on behalf of the Chair, signed by the Chair and contain the following:
  1. An explanation of the proposed action (appointment, review, etc)
  2. Candidate’s proposed rank, but **not the proposed step**
  3. A request for analytical review of the candidate’s performance under the applicable criteria and comparison with other scholars in the field of similar rank
  4. The UC Confidentiality Statement

**REMINDER:** When assembling the file, the Sample Solicitation letter in file must (a) be labeled as ‘Sample Solicitation Letter’ and (b) it must not include the addressee’s name – it should just read ‘Dear______’ (redact name)
REMINDER: letter-writers must be AT or ABOVE the proposed rank

MAKE SURE SOLICITED REFEREES MEET THIS CRITERIA

e.g. Assistant Professor of Clinical X, step IV is proposed for Promotion to Associate Professor of Clinical X, step I; Letter writers must be at the Associate Professor rank or higher
Letters of Reference (LOR)

- Department Analysts must review all letters received to ensure:
  - Letter must be **CURRENT**, or no older than 1 year old
  - Letters are strong, analytical, address the correct proposed action, and contains correct faculty information
  - There is no duplicate language between letters
  - The letter is on letterhead, dated and addressed appropriately, and **signed** by the letter-writer (can be electronic signature).
  - The letter does not contain anything inappropriate (e.g. a copy/paste of the faculty member’s CV) or any other information that is inappropriate to include in a letter of reference

Reminder: If the letter-writer is from the faculty’s department, the letter-writer must abstain from voting on the file, and the reason for abstention must be noted in the Vote Grid
LOR - Redactions

- For files submitted in Scholar Steps, analyst must redact identifying information from the LOR.

- Per AP’s guidelines, you may only redact the letter-writer’s identifying information in the letterhead and signature areas - you may not redact the body of the letter.

- If you receive a letter with identifying information in the body of the letter, ask the letter-writer for a revision; identifying information may be included below the letter-writer’s signature block.
Letters are added to the file in Reverse Chronological Order, with the newest letter coming in first, and the oldest letter coming in last.

USE THE DATE ON THE LETTER WHEN ARRANGING IN FILE

E.g. The analyst receives three solicited letters for a faculty appointment file. One letter is dated 5/31, one on 6/12, and the other on 7/15. The letter that is dated 7/15 receives code “A”, the letter dated 6/12 receives code “B”, and the letter dated 5/31 receives code “C” and the letters are arranged in the file as “A”, “B”, “C”.

LOR – Order of Letters in File
LOR - Codes

- Each page of the LOR must be coded with either a letter or number. The newest letter earns the lowest number code, or earliest alpha code (see previous slide for example).

- The assigned code must be noted clearly on each page of the received letter, in the body of the letter, on the right-hand side of each page.

  - Coding the letter at the top of the page may result in the code being deleted if the letter is redacted.

RE: Pablo J. Abbona, M.D.

Dear Dr. Yoshioka,

It is my pleasure to write this letter of recommendation on behalf of Dr. Pablo Abbona, who is applying for promotion to Health Sciences Clinical Professor. Dr. Abbona is an accomplished clinician, teacher and researcher. I first met Dr. Abbona in 2013 after he had been recruited to the University of California, Irvine (UCI) from the University of California, Los Angeles (UCLA). At UCLA he served as a multi-specialty radiologist, with a focus in Pediatric Radiology and Cardiovascular Radiology. He has interacted with the vascular surgery division closely at UCI by organizing and participating in our weekly Vascular/Endovascular Surgery and Radiology Case Planning Conference. At this venue he offers our vascular surgeons expert, in-depth evaluation and radiological assessment of complicated open and minimally invasive cases. He also assists with the training of our medical students and general surgery residents, teaching basic aspects of imaging acquisition and interpretation.
He has participated in a number or national research studies as principal investigator and/or co-investigator. Dr. Abbona has published peer-reviewed articles in leading medical journals, and book chapters on numerous topics. He has presented at local and national conferences and he holds professional memberships in radiological societies.

In addition, to his clinical responsibilities Dr. Abbona has held academic and hospital appointments at UCI. Demonstrating leadership skills and the ability to collaborate in order to improve the quality of healthcare delivery at our institution.

Dr. Abbona is an exceptional radiologist and academic that has clearly demonstrated the potential to make significant contributions to UCI and the field of radiology. It is without hesitation that I give Dr. Pablo Abbona my highest recommendation. He is an outstanding asset to the Radiology department and the University of California, Irvine.

Sincerely,
Once all letters are received and coded, the analyst must complete ALL fields of the AP-11 form.

Record letters that are received AND letters that were solicited, but not received.

Prior to submitting the file, review the AP-11 and letters to make sure that letter codes correspond to what is noted on the AP-11, and letters are in the appropriate order within the file.
As of Fall 2019, “Non-Conflicted” has replaced “Independent”

Make sure to note whether the referee is conflicted (Y/N)

Conflicts might include:
- Advisor/Mentor at any level
- Substantive collaboration in the last 4 years
  - Substitutive collaboration includes past or pending grant collaboration, co-authorship
  - Team Science co-authorship, grant funding, or editorial work on candidate publications are not conflicted if the department explains the incidental or minor nature of relationship.
- Close personal or familial relationship
- Current faculty at UCI
- Direct financial relationship
LOR: AP-11 – Qualifications/Relationship

- Add Letter-writer Qualifications to AP-11 form: can use letter-writer’s biography OR a live, clickable link to referee website

- Describe relationship of referee to candidate; do not conclude. Examples:
  - Conclusion: Referee is not conflicted ✗
  - Not Descriptive Enough: Professor at Peer Institution ✗
  - Description of Relationship: Referee has worked with Dr. XX at XX institution, mentor relationship ✓
  - Description of Relationship: Referee has attended conferences with Dr. XX but has not collaborated with him/her in the past ✓
Ways to determine if a letter-writer is conflicted:

1. Review with the faculty member, Merits/Promotions committee, or Chair

2. Check the faculty member’s CV. Look for recent collaborations, mentor/mentee relationship, current faculty at UCI, etc.

3. Read the letter closely: how does the letter-writer describe their relationship to the candidate?

Helpful Hint: In PDF or Word, use CTRL+F to search for names of letter-writers in the CV.
For files with both External and Internal letters, the analyst must separate ‘Internal Referees’ from ‘External Referees’.

- **Internal**: Letter-writers from UC Irvine, either within the faculty member’s home department, or in another department

- **External**: Letter-writers from outside UC Irvine; can be from the community, other Universities, or other UC campuses

**External Letters must come first in the file.**

- Add ‘External’ AP-11 to file, then all External Letters, then add ‘Internal’ AP-11, then all Internal Letters.

- Make sure to change the text at the top of the AP-11 to reflect the type of referee (External or Internal)

**Assign letters to one set of LORs, numbers to the other to show differentiation**
Helpful Hints

- Create the AP-11 and assign codes once you have received all letters and are ready to assemble the file; this ensures that the codes you have assigned are in the correct chronological order.

- On the AP-11, each letter-writer’s information must stay on one page.

- If your text overflows to the next page, or information is cut off, you can manipulate the text box so that everything stays together.

**Advancement to Professor Above Scale:**
The review period is from October 1st prior to the faculty member’s advancement to Professor, Step VI, through 09/30. If the faculty member was initially appointed to UCI as Professor, Step VI, the review period for his advancement to Professor A/S would be from the date of his initial appointment through 9/30.
List each step and don’t consolidate by ranks.

List any academic employment at other institutions.
Add asterisks to those with teaching evaluations. (For promotions, evaluations from the last 5 years should be included.) Underline regular courses.

### PUBLICATIONS SINCE LAST REVIEW

- **Make sure that they are published during the review period.**
- **Stipulate “peer-reviewed” (or not).**
- **Separate original research articles and review articles.**
- **Stipulate your role as corresponding or co-corresponding author.**
- **For a middle author, explain your role and degree of contribution. (minor, moderate, major or %)**
- **Make sure the numbers match with those in CV.**
SECTION III – Research and Creative Activity during review period

A. PUBLICATIONS AND CREATIVE ACTIVITY NOT CONSIDERED IN A PRIOR REVIEW

INTELLECTUAL CONTRIBUTIONS

<tr>
<th>Category</th>
<th>Publication</th>
</tr>

</table>

ARTISTIC AND PROFESSIONAL PERFORMANCES AND EXHIBITS

<table>
<thead>
<tr>

<th>Creative Work</th>

</thead>
</table>

- Be sure to list authors in the published order. For co-authored or collaborative work, the faculty member must state his/her role and/or share of contribution (e.g., primary author, 50% co-author, secondary author, etc.)

- It is important to describe unique, independent contribution to each publication – reporting only the % effort is generally not helpful

- CAP appreciates a well-organized, clear file: **Publications should be grouped and listed on the AP-10 as to whether they are peer-reviewed, case studies, reviews, commentaries, etc., and then the links to those works should be grouped together.** All peer-reviewed publications should be listed together on the AP-10 and presented together. Book chapters should be listed together and presented together, etc.
Research and Creative Activity

- Publishing peer-reviewed original research articles, case reports, review articles (“invited” review is a plus), and book chapters
  - Important to publish as a first or senior author – corresponding author status is crucial
  - Middle authorship should be documented/explained (subject matter expert, supply of special resource, expert analysis of dataset). Do not assume peers will understand your role
  - Evidence of impact: author- or paper-level metrics (not required but can be used)
    - H-Index in Google Scholar or Semantic Scholar: an author-level metric that measures both the productivity and citation impact of the publication. H-index should increase each year.
    - iCite: Relative Citation Ratio (RCR) values, which measure the scientific influence of each paper by field- and time-adjusting the citation.

- Publishing case reports, review articles, and book chapters, development of teaching materials or web site content, and clinical trials are also considered important creative activity for Clinical X and Adjunct faculty members

- Extramural funding (grants) and/or investigator-initiated clinical trials as the PI, MPI or site-PI

- Current Research protocols that have IRB approval, no presentation yet, can be mentioned in research statement.

#### Intellectual Contributions

This research paper is from my laboratory, funded by my R01, and I am a corresponding author. The first and third authors are my graduate students and authors #4-6 were my undergraduates. The second author is a postdoc in Qing Nie’s group with whom we collaborated on this project. Major contribution.

My graduate student Ziguang Lin is the co-first author on this research paper. We were responsible for much of the single cell RNA-seq analysis, I helped interpret data, plan experiments, write and edit the manuscript. The senior author, Dr. Yu, was my past postdoc, how holding an independent professor position. Moderate-major contribution.

A commentary, co-written with my colleague Max Plikus; I wrote the first draft and finalized the editing. Major contribution.

| Book Chapter #10 | Kashgari G, Huang Y, **Andersen B.** Embryonic development of the epidermis. In *Reference Module in Biomedical Sciences.* C.A. McQueen (ed). Elsevier Inc. 2018. This book chapter is from my laboratory and I am the corresponding author. The first author, Ghaidaaz Kashgari, was my graduate student. Major contribution. |
In this example, ‘like’ publications are grouped together: book chapters are listed first, followed by Peer Reviewed, Original Research, organized in order of publication.

Research contributions are brief, but clearly listed. Links to pubs are included in the AP-10 and they were also included in the appropriate location in the file – including links here can make it easy for reviewers to review the file.
Professional Recognition and Activity

- Awards and Honors, media coverage
- Participation in activities of clinical and/or professional organizations
- Membership on editorial boards and manuscript review
- Grant review, NIH and other study section membership
- Invited lectures at other institutions and professional meetings
- Community outreach activities

Clinical competence

- Evidence of provision of high-quality patient care
- Board certification
- Leadership role in your division, clinical program

TEACHING
Teaching – 2022 Reminder

- Winter, Spring, Fall 2020 Evaluations were watermarked with “COVID-19” and can be excluded from future review unless faculty chooses to include them.

- Winter 2021-Winter 2022 Evaluations are required in review, but still watermarked.

- Spring 2022 and forward evaluations are required in review file, and NOT watermarked.

**REMINDER:** SOM AA REQUIRES Reflective Teaching Statements that include reflections on student Teaching Evaluation comments.

FAQ’s related to COVID’s impact on Review Files can be found here: [https://ap.uci.edu/covid19/](https://ap.uci.edu/covid19/)
Teaching Effectiveness — Evidence Req’d

File MUST include the following:

1) Student Teaching Evaluations
2) Any of the following additional evidence

https://ap.uci.edu/faculty/guidance/

- Teaching self statement * (similar to research self statement)
- Course syllabi
- Teaching Practice inventory (Weiman and Gilbert, CBE 13: 552-569)
- Peer evaluation
- Teaching Awards (with appropriate context – school, Dept, National level)
- Student achievement/learning gains

*SOM Practice is to use this as the 2nd piece of Evidence
Teaching Effectiveness – Required Evidence (NOTES)

All faculty Appointment/Review files MUST include the following evidence (see checklist):

1. **Student Teaching Evaluations** - Raw data and Summary of teaching evaluations

   - **Merit and Promotion Files MUST include Student Teaching Evaluations**

   - If there are no student Teaching Evaluations available (new appointments only), and/or if there are **ANY negative teaching evaluations or comments**, this must be addressed in the Department Letter, AND the faculty must address this in the reflective teaching statement. Candidate may include additional evidence in the file.
2. Reflective Teaching Statement OR other Evidence (see previous slide and https://ap.uci.edu/evidence-of-teaching-effectiveness/). SOM Practice is to use a Reflective Teaching Statement as 2\textsuperscript{nd} piece of Evidence

- Must be labeled with faculty member’s name and department, and proposed action

- Teaching Statement \textbf{must be reflective of current review period} and no more than 2 pages (https://ap.uci.edu/faculty/guidance/teachstatement/)

- If there are \textbf{ANY} negative teaching evaluations or comments, this must be addressed in the Department Letter, AND the faculty must address this in the reflective teaching statement. Candidate may include additional evidence in the file
Peer reviews are from a **colleague**

- Colleagues are invited to observe a faculty member’s teaching in order to make an assessment
  - e.g. Classroom, Clinics, Grand Rounds, Morning or Noon Conferences
- Peer-review must be contemporaneous

*It is not considered a peer review if it is from a resident or fellow (that would be viewed as a teaching evaluation)*

ScholarSteps Files: AP/CAP requires teaching evaluations be uploaded to ScholarSteps as ONE continuous .PDF file; Additional Evidence should be included in the appropriate area of ScholarSteps
Teaching – Tips/Reminders

Please make sure that all evaluations in the File are **within the Review Period**, and are **CLEARLY LABELED** with the **correct** date, name of Faculty and Course name or other teaching event name.

**Other than the COVID Accommodations mentioned previously, FACULTY MAY NOT PICK AND CHOOSE WHICH EVALUATIONS ARE INCLUDED IN THE FILE** – Analyst should make sure that all evaluations for the Review Period are included in the file.

**PLEASE REVIEW THE TEACHING EVALUATIONS AND REMOVE ANY DUPLICATED INFORMATION**

The following items **should not be included with the teaching evaluations:**

- Sign-In Sheets, or Blank pages with no useful information
- “No Contact” or Blank Evaluations
- Evaluations which include names/evaluations related to other faculty (*if it’s a team-taught course or event, REDACT the other faculty’s name)
- Student Names or other Identifying Information – REDACT STUDENT NAMES
Publication

- A work that has been officially accepted and published and assigned a unique identifier.
Accepted Publication

- Works that have been drafted and accepted for publication within the review period but will not be published within the review period. In order to submit on the AP-10, the faculty member must have proof that the final version of the publication has been approved and accepted by the editor of the journal. This proof (a letter or Email) along with the final copy of the publication must be included as evidence of the accepted publication.

- Example: Review period ends on 9/30, and the faculty member has included an item on his/her CV/AP-10 and Webfiles with a publication date of 11/1. The faculty member has a letter or Email from the publisher of the journal which shows that the journal accepted this publication on 9/15. This is acceptable to include in file.
Submitted Publication

- Work that has been submitted to a journal but has not been formally accepted within the review period.

- This type of publication may have been informally accepted for publication; it may be in a revision stage, or the journal may have notified the faculty member that the item will be published at a future date, pending other contributions or edits from the faculty member.

- AKA: “In Revision” or “In Review”
Publications: Definitions

Work in Progress

- A work that is currently in a ‘draft’ stage. The publication could be at an early stage, it could be complete and ready for publication, or anywhere in between. The publication has not yet been submitted to a journal or accepted.

- AKA: “Drafts” or “Forthcoming”
Publications: What to include on AP-10

- **Published:** Can be included on the AP-10 as long as it was published within the review period.

- **Accepted:** Can be included on the AP-10 as long as the faculty member has proof that it was accepted by a journal within the review period. Faculty member must also include the final version of the publication along with an acceptance letter or Email.

- **Submitted and Work in Progress:** Cannot be included on the AP-10 since these are neither published or accepted for publication within the review period. May be included at a future review date. Faculty member may wish to include on the CV to show productivity.
Publications: Tips

- **New Appointment files**
  - File does not need to include every single publication ever published
  - The faculty member may wish to highlight recent accomplishments, within the last year, or few years, or publications they feel represents their best work.

- **Merit/Promotion files**
  - All work published or accepted within the review period, must be included in the AP-10, and represented by a live link
Submitted and Works in Progress/Numbering on the CV: Assigning a number to these works may be problematic. If the item is not published, and/or another work is published before the work in progress, it may ‘throw off’ the numbering system, and result in confusion for future review files (especially Promotion files).
Each Publication in a review/appointment file must be numbered, and the number assigned must match across the AP-10, CV and Webfiles/Publication link.

Pub #'s must be in reverse-chronological order. The earliest publication earns the lowest number, and the most recent publication earns the highest number.

Pub #'s must stay consistent over time and between files – this is especially important for Promotion files. It helps reviewers compare publications and determine which are new vs. previously submitted.
For both Scholar Steps files and .PDF files, publications must be submitted via a live, clickable link. All links must lead to the correct publication, and must be accessible without a password.

All pubs in the AP-10 must be published or accepted within the file review period (*accepted publications require back-up to show proof of acceptance).
Publications: Guidelines

How to include publications in the file, see Academic Personnel’s announcement here:

https://ap.uci.edu/webfilesend63021/
Prior to submitting the file, the Analyst must check each publication to ensure:

- The publication has been published within the review period, OR
- If it hasn’t been published, that the accepted publication has appropriate evidence to support its acceptance – include an Email or memo that clearly indicates acceptance

- The publications page must include the faculty member’s Name, Department, and Proposed Action at the top of the page.

- The file must include a **live, clickable link that takes the reviewer to the correct publication.** Publication must be accessible without passwords

- Include publication numbers next to each link – **pub #s must correspond to what is in the AP-10 and CV, must be in order, organized, easy to review**

When all links have been added TEST ALL YOUR LINKS, before uploading to ScholarSteps
Copy relevant publications from the CV/AP-10, paste them onto a Word doc.

Find article online, add Hyperlink to the publication title.

Easy for reviewers to view pub title, assigned #, Publication type (Peer-reviewed papers), pubs look well-organized.

**TIPS:**
- When all links are added, convert Word document to .PDF, upload to Review, or include in ‘paper’ file.
- Please make sure the links are ‘live’, clickable, and are accessible without a password.
- LINKS HERE SHOULD BE SUPPORTED BY AP-10
  - Please make sure the links are ‘live’, clickable, and are accessible without a password.
- Publications must be published or accepted within the file review period; ‘accepted’ publications require additional evidence.

For More Info:
- See APP 3-20 for more information about Department Letter
- See APP 3-60-D1 for Addressing Guidelines
- See SOM AA ‘Addressing Letters’ document, [here](#)
MUST INCLUDE:

- Proposed Action

- Department faculty’s recommendation, including the reasons for any dissension, and discussion of strengths and weaknesses of the case

- Report of faculty opinion and vote, as described in Section APP 1-14. When there are significant divisions of opinion, the reasons for the opposing positions should be summarized
  - Report of faculty opinion must be included BOTH in the body of the letter and as a separate document, attached to the end of the letter (*SOM Vote Grid Template; on our website)

- Analytical evaluation of the faculty member’s performance in each of the following areas of responsibility (series-based criteria):
  - Teaching - (Please see APM Policy 210-1-d-(1))
  - Research and creative activity - (Please see APM Policy 210-1-d-(2))
  - Professional competence and activity - (Please see APM Policy 210-1-d-(3)).
  - University and public service – (Please see APM Policy 210-1-d-(4)).

- If letters of recommendation (LOR) are included in the file, the evidence provided in the letters should be weighed and discussed in the department letter. **When referring to the LORs, must only be referred to by their assigned code**
Chair letter is provided in situations when:

- It is the department’s practice that the Chair does not vote with the department and instead, records his/her own vote via a Chair letter
- The Chair wishes to provide their own opinion, SEPARATE from the department
- In cases where the Chair does not agree with faculty opinion
- The Chair wants to clarify, or provide additional information in the file (e.g. negative evaluations, contributions to collaborative work, conflicts of interest)

NEW FOR 2022-23: CAP appreciates a Chair letter for Senate Promotions and Accelerations, and A/S Merits
Please note on the vote page **how the Chair records his/her vote**, and this **must** adhere to the department bylaws

For example:

- **“The Chair voted with department”** - include Chair in eligible count. The Chair must not sign the letter as ‘I concur’ and should not include an independent Chair letter.

- **“The Chair did not vote with the department”** (Chair should not be included in ‘eligible’ count). OR **“The Chair records his/her vote separately”** (Chair should not be included in ‘eligible’ count).
  - In this case, the Chair must either sign department letter with “I concur” or provide a separate Chair letter.
  - **New 22-23 – Chair MUST NOT DRAFT, SIGN, OR OTHERWISE PARTICIPATE IN THE DEPARTMENT LETTER**
