DESCRIPTION

Advanced Thoracic and Cardiac Surgery is an elective course in which the student is assigned to the cardiothoracic service, evaluates patients with a range of pulmonary and cardiac disorders, participates in all phases of management, and attends rounds and conferences. The student is given basic instruction in cardiopulmonary physiology as it relates to surgical problems. Scrub in on open heart and thoracic cases at UCI Medical Center.

PREREQUISITES

This course is intended for third- and fourth-year students enrolled in the undergraduate medical education program at the UCI School of Medicine. Completion of core surgery clerkship required.
RESTRICTIONS
This course is intended for third- and fourth-year students enrolled in the undergraduate medical education program at the UCI School of Medicine.

COURSE DIRECTOR
Dr. Swentek Lourdes Y. Swentek is a board-certified surgeon who specializes in trauma, critical care, Emergency and general surgery. She earned a medical degree at Loyola University Chicago’s Stritch School of Medicine in Maywood, IL. She completed a residency in general surgery at Loma Linda University Medical Center in Loma Linda, Calif., followed by fellowship training in trauma and critical care surgery at UCI Medical Center. She worked at Loma Linda for two years before being recruited back to UCI to join the trauma and critical care team.

Staci Reichenecker is the course coordinator for 685H course.

Instructing Faculty: Jack Sun, MD; Ali Mahtabifard, MD

INFORMATION FOR THE FIRST DAY
Who to Report to on First Day: Contact Staci Reichenecker, 714-456-5532? reichens@uci.edu

Location to Report on First Day: Varies

Time to Report on First Day: Chief Resident on rotation; please wear professional clothes, white coat and badge with credentials visible

SITE: UCI Medical Center

DURATION: Variable

Scheduling Coordinator
UCI students please email comsched@hs.uci.edu to make a scheduling appointment.

Periods Available
The time of the course must be pre-approved by the elective director at least three months prior to the start of the course. No exceptions.

NUMBER OF STUDENTS ALLOWED: Variable

WHAT STUDENTS SHOULD DO TO PREPARE FOR THE COURSE
Complete Research Elective Proposal and submit the document to Senior Associate Dean of Educational Affairs for approval.

COMMUNICATION WITH FACULTY
Questions about logistics should be directed to the Course Coordinator. Direct questions, comments, or concerns about the course can be directed to the Course Director. Contact information and office location are at the beginning of this document.

The Course Director is also available to meet in person. Please email reichens@uci.edu to arrange an appointment. To ensure that your email will not be lost in the large volume of email received, please use the following convention for the subject line:

SUBJECT: COURSE NAME, your last name, your issue (e.g. XXX, Smith, Request for appointment)

2. Course Objectives and Program Objective Mapping
The following are the learning objectives for the 620A course. Students are expected to demonstrate proficiency in these areas in order to satisfactorily complete the course. In addition, the extent of a student's mastery of these objectives will help guide the course evaluation and grade.

### 3. Course Resources

**TEXTS AND READINGS: SUGGESTED**
Schwartz’s Principles of Surgery, 10th Edition

### 4. Major Exams, Assignments and Grading

**MANDATORY SESSIONS**
No structured exam for this acting internship. Evaluations from Faculty are major contributors to student grading

**MAJOR ASSIGNMENTS AND EXAMS**

**GRADING**
Medical Students are graded using the following scale: Honors (H), Pass (P), Fail (F), and Incomplete (I). For further information, please review the Grading Policy.

You have 30 days from the date of the grade to appeal any aspect of this grade. Please contact your Clerkship/course Director should you have any questions.

Requirements for “Pass”:
To receive a grade of Pass, students must demonstrate successful performance in all the following areas:

- Knowledge
- Patient Care
- Practice-Based Learning
- Interpersonal & Communication Skills
- Professionalism
- Systems-Based Practice

Requirements for “Honors”:
To receive a grade of Honors, students must demonstrate exceptional performance all the following areas:

- Knowledge
- Patient Care
- Practice-Based Learning
- Interpersonal & Communication Skills
- Professionalism
- Systems-Based Practice

**Grounds for “Incomplete”:** You will not be issued a grade until all elements of the course have been completed.

**REMEDICATION**
Remediation, if needed will be designed by the Course Director to suit the issue at hand.

**Grounds for “Fail”:** You will receive a grade of "Fail" if the requirements for passing the course have not been met. Please refer to the Grading Policy for the impact of the "Fail" grade to the transcript.
