

Accreditation Communication

The Liaison Committee on Medical Education (LCME) will be performing an on-site survey visit for our next reaccreditation cycle from January 26-29, 2025. The LCME is the national accrediting organization for U.S. medical schools. UCI School of Medicine received its most recent full eight-year reaccreditation in 2017.

News & Events: Renovations in the Student Lounge at the UCI Medical Center

Renovations have officially begun at the medical student lounge in Building 53 at the UCI Medical Center. As a result of constructive feedback from our clinical year students and joint support from Dean Stamos and UCI Health leadership, the lounge will have a larger footprint for study and relaxation spaces with new furniture, power options, and lighting. There will also be new paint, flooring, window coverings, and lockers to give the lounge a complete refresh. The lounge will remain open during renovation which is expected to complete in just over a month. The lounge will remain open during renovation which is expected to complete in just over a month. More details about these renovations can be found in the [latest Medical Education newsletter](#).

Follow the Zot Quality Improvements in the [monthly Medical Education newsletter](#) for additional updates that support our students.

LCME Spotlight Standard 9: Teaching, Supervision, Assessment, and Student and Patient Safety

LCME Standard 9 ensures that students receive comprehensive, fair, and uniform formative and summative assessments by faculty and instructors who are adequately prepared to do this. Key policies that guide the academic and learning environments at the School of Medicine in meeting these standards include:

- [Medical Student Supervision and Learning Environment](#)
- [Mid-course/clerkship Feedback](#)
- [Requirements for the MD Degree](#)
- [Completing Student Evaluations](#)

For further information and links to key policies, refer to the [Medical Education section of the Faculty Handbook](#) from the Office of Academic Affairs.

For faculty and residents working with medical students, the [GME Teaching Skills Training workshops](#) and the [Monthly on Mondays faculty development series](#) offers sessions on teaching skills and assessment and anyone who needs additional training are encouraged to attend.
