## 1. Course Director, Coordinator and General Administrative Information

### FACULTY AND STAFF

Name	Office Location	Phone	Email
Director: Kenneth Linden, MD	118 Med. Surge. I, Irvine, CA, 92697	949-824-4405	<a href="mailto:kglinden@hs.uci.edu">kglinden@hs.uci.edu</a>
Coordinator: Terena Wells	118 Med. Surge. I, Irvine, CA, 92697	949-824-4405	<a href="mailto:terenaw@hs.uci.edu">terenaw@hs.uci.edu</a>

### DESCRIPTION

This course is a brief exposure to dermatology with each day divided in half to include exposure to general dermatology clinics, specialty clinics, and teaching sessions. In the LBVA, UC Irvine Medical Center, Gavin Herbert Eye Institute (2nd Floor), Tustin, Yorba, Fashion Island, Costa Mesa, Newport, Laguna Hills and CIAAC general clinics the student will see patients and present patients to the faculty. Students may spend 1/2 day of the rotation in the private clinic of a community dermatologist. Students will receive basic science lectures and clinical science lectures during the rotation.

### PREREQUISITES

This course is intended for 3<sup>rd</sup> and 4<sup>th</sup>-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM). **They must complete the 620A elective before they apply for the 620B elective.**

### RESTRICTIONS

This course is intended for 3<sup>rd</sup> and 4<sup>th</sup>-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM). **This rotation is restricted to those who are interested in applying to dermatology.**

#### **COURSE DIRECTOR**

Dr. Linden has worked in higher education since 1998. He earned his Bachelor of Science degree and PhD in biochemistry from the University of California, Davis. Dr. Linden earned his MD from the University of California, Irvine. He completed his internship at the University of California, San Diego and returned to UCI for his dermatology residency.

Dr. Linden is a Diplomat of the American Board of Dermatology and a Fellow of the American Academy of Dermatology. He is also member of the American Association for the Advancement of Science, the American Chemical Society, and the Southwest Oncology Group. Dr. Linden's major area of research interest is melanoma.

Dr. Linden sees patients in the City of Orange at the Chao Family Comprehensive Cancer Center. Dr. Linden practices general and surgical dermatology at the Gottschalk Medical Plaza in Irvine.

Terena Wells is the course coordinator for 620B course. Mrs. Wells comes to you with 32 years in the medical field, 24 of which she has worked in Dermatology. She has a passion for Dermatology and is fascinated with the field.

**MAJOR ASSIGNMENTS AND EXAMS**

The student is to perform well in clinics and is encouraged to read either in the textbooks or on-line AAD materials referenced.

**GRADING**

Medical Students are graded using the following scale: Honors (H), Pass (P), Fail (F), and Incomplete (I). Grading is based on a composite and consensus of the faculty based on the performance of the student in the clinics to which they are assigned. For further information, please review the Grading Policy.

You have 30 days from the date of the grade to appeal any aspect of this grade. Please contact your Clerkship/course Director should you have any questions

Student will receive a final grade of Honors, Pass or Fail. The standardized UC Irvine Elective Evaluation form will be used to grade the student. The students will be evaluated on attendance, performance during the elective, and a brief test at the end of the elective.

**Requirements for “Pass”:**

To receive a grade of Pass, students must demonstrate successful performance in all the following areas:

- Knowledge
- Patient Care
- Practice-Based Learning
- Interpersonal & Communication Skills
- Professionalism
- Systems-Based Practice

**Requirements for “Honors”:**

To receive a grade of Honors, students must demonstrate exceptional performance all the following areas:

- Knowledge

- Patient Care
- Practice-Based Learning
- Interpersonal & Communication Skills
- Professionalism
- Systems-Based Practice

**Grounds for “Incomplete”:** You will not be issued a grade until all elements of the course have been completed.

**REMEDIATION**

Remediation, if needed will be designed by the Course Director to suit the issue at hand.

**Grounds for “Fail”:** You will receive a grade of "Fail" if the requirements for passing the course have not been met. Please refer to the [Grading Policy](#) for the impact of the "Fail" grade to the transcript.
