

**UCI** School of Medicine

# Faculty Guide

**2023-2024**  
**Academic Affairs**

Last updated January 19, 2024

# GETTING STARTED

## Compliance and Privacy

The UCI Health Compliance & Privacy Office oversees compliance with all law and regulations pertaining to privacy and security, research, laboratory, billing, and vendors.

[UCI Health Compliance Website](#)

[UC Healthcare Vendor Relations Policy](#)

Email: [hacompliance@hs.uci.edu](mailto:hacompliance@hs.uci.edu)

## Faculty Compensation

The Health Sciences Compensation Plan (HSCP) provides a policy framework to compensate faculty, encourage pay equity, recognize patient care and academic merit, and offer consistent benefits and privileges.

[HSCP Policy and Guidelines](#)

[Outside Activity Tracking System \(OATS\)](#)

Contact: **TJ Kennedy**, HSCP Manager

Email: [tkenned1@hs.uci.edu](mailto:tkenned1@hs.uci.edu)

Office #: (949) 969-4220

## Benefits and Retirement

The University of California offers a full range of health and retirement savings plans. UCPATH Center hosts orientations for new employees weekly; see [here](#) for more information.

Support #: (949) 824-0500

## Academic Affairs

The Office of Academic Affairs supports faculty and staff and provides policy analysis, interpretation, and training in academic personnel actions. The office also oversees the Health Sciences Compensation Plan, sabbatical leaves, applications for special medical permits, employee and labor relations, and volunteer faculty administration.

## Faculty Development

The Associate Deans of Faculty Development and Office of Academic Affairs coordinate and facilitate an array of faculty development programs and activities, from virtual presentations to mentoring workshops. These opportunities aim to provide faculty with the necessary educational and leadership skills, mentorship, and professional development to progress through the faculty ranks. The Associate Deans welcome any questions regarding developing a successful career in academic medicine.

## Center for Clinical Research

The UCI Center for Clinical Research is a centralized clinical research operation driven to improve the health and wellness of people in Orange County and the world. The center provides comprehensive administrative support to the conduct of industry-sponsored clinical trials (CT), from study start up through completion and close out. Services include:

- CT pre-award financial management
- Marketing and communications maintenance to recruit study participants
- Timely study activation and management of trial patients

## Faculty and Clinical Affairs

Under the purview of the Dean's Office at the UCI School of Medicine, the Clinical Affairs team provides oversight for clinical departments and manages the intersection of their clinical, financial, and administrative components. This includes, but is not limited to: Faculty compensation, performance, credentialing, professional billing, and recruitment/onboarding (for physicians and Advanced Practice Providers).

Clinical Affairs also closely partners with Ambulatory and Strategy to align workforce needs and grow the Enterprise both internally and through service agreements in the community.
